

7. Wisdom is a discipline of two components. What are they and take time to explain each?

a. _____.

b. _____.

Making It Personal

1. What would you say is the wisest decision you ever made?
2. How has this study helped you in understanding the biblical nature of wisdom?
3. What changes, based on this study, do you need to make?

Looking Ahead

Next week's message will look further into the role that wisdom can play in making our lives more productive and successful. The passage for next week's message is Proverbs 1:20-33.

Proverbs
1:1-7

Message from Sunday January 5, 2014
Village Green Community Church
By Jon Korkidakis

This Week's Message

We value information. The ability to gain knowledge and understanding is an important commodity in our culture. But is knowledge alone enough? Is there something more than just acquiring information that helps to shape our lives for greater fulfillment and purpose?

Study

Read Proverbs 1:1-7

1. Was there a key point from the message that you would like to discuss, or expand upon?
2. From your perspective, what is the difference between knowledge and wisdom? How are these dealt with in our culture?
3. What reason (or purpose) does Solomon give for writing the Book of Proverbs?
4. There were 4 Key Principles of wisdom given in the Message. Name the 4 and take time to expand on each. NOTE: Try to look first at what the passage says about each and build the conversation from there.
 - a. _____.
 - b. _____.
 - c. _____.
 - d. _____.
5. Verse 7 serves as the summary passage for the entire book. The theme is repeated throughout. What does it teach concerning the two different paths that a life can take?
6. What role do discipline and submission play in a life dedicated to growing in God's wisdom?
