

10. Has there been someone in your life who has been an amazing example of faith? How did they affect you and why?

11. Is there a tension when it comes to faith? Can it sound too easy or too simplistic and therefore, not given the seriousness it deserves?

12. Was there something from the message not covered by this study that you want to mention or discuss?

Why Faith Makes All the Difference? Quandary – Part 4

Life Group Study Notes

It's not always easy to define, nor is it easily described, but whenever we come across someone who lives it authentically, it's hard to deny.

We are talking about faith, that ingredient that culture derides but God celebrates. In this closing message of the series, we have a candid discussion on the importance of faith, and why it should be the only thing in life that truly matters.

4. What other word (or concept) was presented in the message that likely better encapsulates the biblical idea of faith?
5. Take a few moments and discuss Romans 1:17, especially as it relates to Jesus and the Gospel?
6. What statement was made that presented the reason for faith being important to God?

Study – Discovering What the Bible Says?

1. What was the one key takeaway from last week's study?

Read Habakkuk 2:4

2. What are the two contrasts given in this verse and discuss the description given for each?
3. Why is this verse so important for understanding the importance and nature of faith?

Read Matthew 8:5-13

7. Discuss and take time to talk about the core message of the story. What is the big takeaway?
8. In the message, how was the Bible presented? Is this the way you've come to understand the Book?
9. What was the one question presented in the message that you need to ask as a way of assessing the state of your faith?
