1. Have you ever wondered why the church is so silent about the topic of ghosts?
2. Why do typical ghost sightings and/or experiences give us no real insight into the nature of the unseen world?
3. How did this study challenge you in the way you understand the unseen realm?

## This Week's Message – January 28, 2018

Ghost stories have been around since the dawn of humanity. Few topics make us wonder about the nature of the unseen world than the subject of ghosts.

### Study – Discovering What the Bible Says

1. What was the one major takeaway or lesson for you from last week's study?
2. Do you have a ghost story? How did it affect the way you view reality?

### Read Job 4:12-21

3. What is the importance of understanding the context of the passage in light of the topic being studied?

What question does the context raise?

Where do I \_\_\_\_\_ ?

4. Why is Eliphaz's response to Job so disturbing? (Read 4:1-11 for context)

### Read Luke 24:36-40

5. What is interesting about the response of Jesus when the disciples mistake him for a ghost?

### Read 1 John 4:1-4

6. How are we to "test the spirits"? What clues are given in this passage?
7. What is implied here about false prophets? In other words, who or what are they getting their message from?
8. What were the two concluding points given concerning this topic?

The Bible-overwhelmingly-treats the subject of "ghosts", not as

\_\_\_\_\_ (Lev 19:31; Job 7:9-10; Psalm 146:4; Ecc 9:5-6; Isaiah 8:19; 2 Cor 11:14-15; Eph 6:11-12; 1 John 4:1,4; Rev 12:9).

As believers, we have the \_\_\_\_\_.
